A woman with dark hair pulled back, smiling warmly at the camera. She is wearing a dark grey blazer over a dark blue top, with a patterned grey scarf tied around her neck. A name tag on her left lapel reads "Charlotte". She is holding a round white tray with a white tablecloth. On the tray are two tall champagne flutes filled with bubbly yellow liquid, and a small white plate with three salmon and cucumber appetizers. The background is a softly blurred interior of a ship's lounge or dining area.

“If there’s one thing that Seabourn delivers on consistently, it’s service. The staff’s enthusiasm makes sailing anywhere in the world a pleasure.”

In 2021, we're debuting our new 7-day Alaska and British Columbia cruises that showcase the best of the Great Land, from breathtaking fjords and majestic glaciers to charming frontier towns. We also offer a variety of cruise lengths, including 10-, 11- and 21-day itineraries to give you more choice and flexibility.

SEABOURN IS THE OFFICIAL CRUISE PARTNER OF UNESCO WORLD HERITAGE

2021 HIGHLIGHT: GLACIER BAY*

Listed as a UNESCO World Heritage Site, Glacier Bay is also a national monument, a national park and a biosphere reserve. Glacier Bay has two major arms, East and West, and over 50 named glaciers, some of which push forward daily. Stand on your ship's deck to watch and listen as enormous chunks of ice thunderously break away from their glacial homes, careening into the icy waters below. On shore, look for black and brown bears, wolves, moose and eagles, while harbor seals and whales frolic within the bay. This is truly a place of awe-inspiring beauty and an icon of wild Alaska.

PORT HIGHLIGHT

INISHMORE, ARAN ISLANDS, IRELAND

The largest of the Aran Islands, Inishmore is home to a striking blend of natural and human history. Atop a 300-foot sheer cliff sits the famous Dún Aonghasa – a spectacular stone fort dating back to the Bronze Age. Beyond these ancient remnants, the island's rocky bluffs are terrific for observing the widespread nesting bird colonies.
